

## CURRICULUM VITAE

### Miguel REINA ORTIZ MD, MS, MPH, PhD, CPH, FAIM, FASTMH

Associate Professor  
Fairbanks School of Public Health | Indiana University

Email: mreina@iu.edu  
Phone: (317) 278-0761  
ORCID ID: <https://orcid.org/0000-0003-3309-6881>

## EDUCATION

<b>The King's University</b> Mater of Practical Theology, concentration in Messianic Jewish Studies.		May 9, 2024
<b>Harvard University</b> Harvard University School of Medicine Global Clinical Scholars Research Training, Epidemiology concentration – <b>with commendation for capstone project proposal</b>		Jun 9, 2023
<b>University of South Florida</b> Department of Global Health, College of Public Health PhD, Public Health. Concentration in Global Communicable Disease	Tampa, Fl	Aug 8, 2015
<b>University of South Florida</b> Department of Epidemiology and Biostatistics, College of Public Health Graduate Certificate in Applied Biostatistics	Tampa, Fl	Dec 2014
<b>University of South Florida</b> Department of Global Health, College of Public Health Graduate Certificate in Global Health Practice	Tampa, Fl	Apr 2013
<b>The Hebrew University of Jerusalem</b> The Braun School of Public Health and Community Medicine MPH	Jerusalem, Israel	Sep 12, 2011
<b>Universidad San Francisco de Quito</b> Institute of Microbiology MS. Concentration in Microbiology	Quito, Ecuador	Jun 6, 2009
<b>Universidad Central del Ecuador</b> School of Medicine – <b>Graduated with honors</b> MD	Quito, Ecuador	Sep 2, 2004

## PROFESSIONAL CERTIFICATIONS AND FELLOWSHIPS

2025-2026	EuroPubHealth+   European Master in Public Health Scholar and Visiting Professor. To be Visiting Professor in Summer of 2026.
2022	Fellow, <b>American Society of Tropical Medicine &amp; Hygiene.</b>
2021	Fellow, Academic International Medicine, <b>American College of Academic International Medicine.</b>
2019	Certified in Public Health (CPH) - current. <b>National Board of Public Health Examiners.</b>

## ACADEMIC AND (NON-ACADEMIC) PROFESSIONAL EXPERIENCE

### Academic experience

2024 - present	Associate Director, DrPH in Global Health Leadership Program. Richard M. Fairbanks School of Public Health, Indiana University.
2024 - present	Associate Professor. Richard M. Fairbanks School of Public Health, Indiana University.
2022 - 2024	Associate Professor. School of Public and Population Health, College of Health Sciences, Boise State University.
2021 – 2022	Associate Professor. College of Public Health, University of South Florida.
2015 – 2021	Assistant Professor. College of Public Health, University of South Florida.
2012 – 2015	Teaching Assistant and Instructor for several undergraduate and graduate courses in the College of Public Health, University of South Florida (Please see the section titled “Teaching and Mentoring Experience”)
2009 – 2011	Instructor for the course of Research Methods (Graduate Level). Dermatology Postgraduate Residency Program. Universidad Central del Ecuador. Quito, Ecuador.
2009 – 2011	Thesis Mentor. Dermatology Postgraduate Residency Program. Universidad Central del Ecuador. Quito, Ecuador.
2009 – 2010	Instructor for undergraduate courses (Schools of Medicine, Odontology, Nursing and Physiotherapy). Universidad de las Americas. Quito, Ecuador.

2008 Co-organizer and Lecturer of the Helminthology course (Graduate Level). Master of Microbiology Program. Pontificia Universidad Católica del Ecuador. Spring, 2008.

### **Affiliate and Courtesy appointments**

2023 – present Adjunct Professor (Honorary Appointment). Universidad San Francisco de Quito.

2022 – present Associate Professor (collaborative appointment). College of Public Health, USF.

2016 – 2018 Affiliate Researcher/Faculty. Universidad San Francisco de Quito. Quito, Ecuador.

### **(Non-academic) Professional experience**

2011 Technical Director of Quality, Clinical Diagnostic Laboratory, Hospital Delfina Torres de Concha. Esmeraldas, Ecuador.

2009 – 2010 Clinical Trial Monitor. Roche Ecuador S.A. Quito, Ecuador.

2009 Resident Medical Doctor / Hospital Epidemiologist. Maternidad Virgen de la Buena Esperanza (Obstetrics Hospital). Esmeraldas, Ecuador.

2005 – 2009 During this time, I was enrolled in the MS Program, U. San Francisco de Quito.

2004 – 2005 Director. Sub-Centro de Salud Tachina – Maternal and Child / Primary Healthcare Center. Esmeraldas, Ecuador.

### **Consultancies**

2021 – 2022 Consultant for a Project – Developing Vector Borne-related GIS training for The Caribbean Public Health Agency (CARPHA).

2009 Consultant for Fundacion Natura Ecuador. Quito, Ecuador.

## **HONORS, AWARDS AND SCHOLARSHIPS**

### ***A. International-level***

#### **American Public Health Association**

Excellence in Abstract Submission on an International Topic Award. HIV/AIDS Section. American Public Health Association (APHA). 2020 APHA Annual Meeting.

#### **The International AIDS Society**

Scholarship to attend AIDS 2020. July 2020. San Francisco, CA (delivered virtually due to COVID-19 containment measures).

**The Society of Vector Ecology (SOVE) International Congress Award**

Awarded by SOVE to present in the 6<sup>th</sup> SOVE International Congress, La Quinta, CA. Sep 22-27, 2013.

**2010 International Master of Public Health Scholarship**

Awarded by the British Friends of the Hebrew University to study in the International Master of Public Health program at the Hebrew University of Jerusalem.

**Unnamed Travel Award, 2008**

Awarded by the University of British Columbia to attend a Bioinformatics Workshop in Vancouver, Canada.

**Unnamed Travel Award, 2007**

Awarded by the Grand Challenges in Global Health-sponsored research group to attend their annual meeting in Cambridge, UK.

***B. National-level*****Delta Omega. Honorary Society in Public Health**

Inducted by the Chapter at the University of South Florida. April 4, 2016.

**Love of Learning Award 2013**

Awarded by the Honor Society of Phi Kappa Phi.

**The Honor Society of Phi Kappa Phi**

Member by election of the Chapter at University of South Florida since Spring 2013.

***C. University-level*****Hispanic Heritage Appreciation Month – Top Three Scholarly Work Award**

Presented by the USF College of Nursing – USF Health scholarly Works Showcase, part of the Hispanic Heritage Appreciation Month. October 2019.

**Faculty International Program Development Award**

Awarded by the College of Public Health, University of South Florida to conduct GIS workshops and establish/enhance research partnerships in Nepal and India. 2015-2016.

**COPH International Research and Enrichment Scholarship**

Awarded by the College of Public Health, University of South Florida, to participate in the NIAAA conference on Alcoholism, HIV and Other comorbidities held in Bogota, Colombia on June 5-6, 2014

**COPH International Research Scholarship**

Awarded by the College of Public Health, University of South Florida, to develop and teach a GIS workshop in developing regions.

**Student Honorary Award for Research and Practice - 2013**

Awarded by the College of Public Health, University of South Florida, to partially cover expenses to attend the 6<sup>th</sup> SOVE, La Quinta, CA. Sep 22-27, 2013.

**Student Honorary Award for Research and Practice - 2012**

Awarded by the College of Public Health, University of South Florida, to give the oral presentations 'HIV prevalence in the Asia Pacific Region: An Ecological Approach to Inequalities' at the Population Association of America Annual Meeting on May 3-5, 2012.

**'Vaccinology in the Tropics' Conference Travel Award**

Awarded by the College of Public Health, University of South Florida, to attend the conference 'Vaccinology in the Tropics', held in Panama City, Panama on March 15-17, 2012.

**Unnamed Partial Tuition Waiver/Scholarship**

Awarded by the College of Public Health, University of South Florida, to study in the Global Communicable Diseases PhD program at the Department of Global Health.

**Presidential Scholarship, 2006**

Awarded by the Universidad San Francisco de Quito to study in the Master of Microbiology program at the Institute of Microbiology.

**School of Medicine, 2004**

Tenth best graduate (out of 324) from the School of Medicine, Faculty of Medical Sciences, Universidad Central del Ecuador. Quito, Ecuador.

***D. Local/Community-level*****Hillsborough County Commendation (2021)**

The Board of County Commissioners (BCC), Hillsborough County, Florida, commended USF Health for "its dedication to service while overcoming the daunting challenges posed by the COVID-19 pandemic." Dr. Reina Ortiz was specifically acknowledged during the BCC meeting on June 16<sup>th</sup>, 2021. More information available [Hillsborough County Commendation information](#). Records of the procedure can be accessed [Records of the procedure](#).

**2022 Quality Care Award in the categories of "Prioritizing People with HIV" and "Most Innovative Quality Improvement Project."**

This award was presented to the Center for Multicultural Wellness and Prevention for work based on the project "EnRICHing Latinos living with HIV by optimizing retention in care: a culturally responsive incentive-based intervention that leverages loss aversion and fixed financial incentives." I am the PI and CMWP is the Community-Based Organization for the project.

## RESEARCH AND SCHOLARLY ACTIVITIES

### Research & Grants Support

#### ONGOING RESEARCH & GRANTS SUPPORT

1. Project Performance Period: 09/01/2022-08/31/2027.  
Title: Tracking the burden, distribution, and impact of Post COVID-19 conditions in diverse populations for children, adolescents, and adults (Track PCC).  
Goal: To measure the burden, distribution, and impact of PCC using data-driven approaches based on state-wide (Utah) and borough-wide (The Bronx) Health Information Exchange data.  
Funding mechanism: Tracking the burden, distribution, and impact of Post COVID-19 conditions in diverse populations for children, adolescents, and adults (Track PCC) (CDC-RFA-IP22-2203).  
Type of mechanism: Grant/Cooperative Agreement.  
FAIN: 1 NU581P000002-01-00  
Sponsor: Department of Health and Human Services (DHHS); Centers for Disease Control and Prevention (CDC).  
Budget Amount: 1,725,119 USD.  
Role: Principal Investigator.

#### COMPLETED RESEARCH SUPPORT (Selected out of 10)

1. Project Performance Period: 08/01/2021-01/31/2025. NCE granted for another year.  
Funding mechanism: CFAR ADeLANTE.  
Sponsor: NIH via Emory University flow through (NIH-funded Centers for AIDS Research at Emory University and District of Columbia).  
Direct Funds: 200,000 USD.  
Role: Principal Investigator.
2. Project Performance Period: 03/01/2023-02/10/2024.  
Funding mechanism: Research Grant Application (aka Small Grants Competition).  
Type of mechanism: Internal Award  
Sponsor: School of Public Service, Boise State University.  
Budget Amount: 4,243 USD.  
Role: Co-Investigator (Bellinger N, PI: BSU).
3. Period: Spring 2021, for two years. No-cost extension granted for another year.  
Funding Program: Networking of existing EU and international cohorts of relevance to COVID-19. Framework: Horizon 2020.  
Sponsor: Horizon 2020 - European Union Commission.  
Note: European Commission rules do not allow for funds to be allocated to US-based investigators.  
Role: Co-investigator (Penalvo J, PI – Prince Leopold Institute, Antwerp, Belgium).

## RESEARCH DISSEMINATION

### Peer-reviewed publications (selected out of 45)

*Italics* for student authors, underlined for community partner, + = corresponding author

1. Sharma V, Epstein R, Arora MK, Edinger T, Dahlquist M, Flessner C, McCullough JM, Ghimire U, Smith LU, **Reina Ortiz M+**. - 2021 Behavioral Economics Virtual. **Harvard Business School Executive Education, Harvard University**. October 18-29, 2021.
- 2019 Independent Applying the QM Rubric (APPQMR). **Quality Matters**. January 25, 2019.
- 2015 International Rapid Assessment, Response and Evaluation (I-RARE). I-RARE Research Team. Department of Community and Family Health, College of Public Health, **University of South Florida**. January 29, 30 and 31, 2015

2010

Course on Bioethics (V Curso de Introducción a la Ética de la Investigación en Seres Humanos). **Red Bioética UNESCO**. Buenos Aires, Argentina (online activity). May to December 2010.

**TEACHING AND MENTORING EXPERIENCE**

Course	Level	Role	Semester	Number of Students
MPH 597 – Advanced Global Health Theory & Practice	Master	Instructor	Spring 2024	3
HLTH 497 – Advanced Global Health Theory & Practice	Undergraduate	Instructor	Spring 2024	4
MPH 597 – Prevention and Control of Infectious Diseases	Master	Instructor	Spring 2024	2
HLTH 497 – Prevention and Control of Infectious Diseases	Undergraduate	Instructor	Spring 2024	5
PPHL 610 – Research Methods	Doctoral	Instructor	Fall 2023	3
MPH 597 – Data-informed decision making in public health	Master	Instructor	Fall 2023	7
MPH 597 – Prevention and Control of Infectious Diseases	Master	Instructor	Spring 2023	1
HLTH 497 – Prevention and Control of Infectious Diseases	Undergraduate	Instructor	Spring 2023	10
MPH 597 – Data-informed decision making in public health	Master	Instructor	Fall 2022	11
			Fall 2021	29
			Fall 2020	17
PHC 6764 – Global Health Principles & Contemporary Issues	Master	Instructor	Fall 2019	19
			Fall 2018	20
			Fall 2017	21
			Fall 2016	29
PHC 7935 – Tropical Diseases	Doctoral	Instructor	Fall 2018	1
PHC 6516 – Tropical Diseases	Master	Instructor	Fall 2021	28
			Fall 2020	29
			Fall 2019	26
			Fall 2018	23
PHC 7908 -Spec. Study – M. Learning	Doctoral	Instructor	Summer 2020	1
			Fall 2019	2
PHC 7908 – Spec. Study – Public Health GIS	Doctoral	Instructor	Fall 2017	1
			AY 2019/2020	72
Public Health Scholarly Concentration – Morsani College of Medicine (USF)	Doctoral (Medicine)	Faculty Leader	AY 2018/2019	79
			AY 2017/2018	66
			AY 2016/2017	47
		Co-Instructor	AY 2014/2015	~12
			Spring 2021	11
			Spring 2020	12
PHC 6442 – Global Health Applications In the Field		Co-Instructor	Spring 2019	16
			Spring 2018	17
	Graduate	Instructor	Spring 2017	12
			Spring 2016	19
			Spring 2022	5
			Spring 2021	5
			Spring 2020	7

Cultural Competence Panel	Graduate	Martha Coulter	2016	1

## Professional Presentations

*(For more please refer to the 'oral and poster presentations in Scientific/Academic Conferences' section)*

Title	Estimated attendance	College/University OR Venue	Location	Date
Global Health. Health Sciences Doctoral Program.	20	Centro de Investigaciones y Estudios de la Salud - UNAN	Managua Nicaragua	March, 2017
Convocation Lecture: Global Health. Global Health Master's Program Convocation.	45	Centro de Investigaciones y Estudios de la Salud - UNAN	Managua Nicaragua	March, 2017
Introduction to GIS	5			
GIS Applied to Public Health	5	Intro to Public Health		
Understanding the GIS lingo	5	GIS Workshop		May, 2016
Land Use Land Cover Analysis for health issues.	5		Pune, India	
Interpolation algorithms in GIS	5			
Introduction to GIS	140			
GIS Applied to Public Health	140	Intro to Public Health	(4 venues)	
Understanding the GIS lingo	140	GIS Workshop		May, 2016
Land Use Land Cover Analysis for health issues.	140		Kathmandu, Nepal	
Interpolation algorithms in GIS	140			
Introduction to GIS	10			
GIS Applied to Public Health	10	II GIS Applied to Health Workshop		
Understanding the GIS lingo	10			
Land Use Land Cover Analysis for health issues.	10		Pune, India	
Interpolation algorithms in GIS	10			
Georeferencing for Infectious Diseases.	10			March, 2016
Trans-Platform communication in GIS applications.	10			
Pre-Travel Consultation.	45	I Travel Medicine Workshop	Quinto, Ecuador	March, 2016

**Training on Applied Methods (organized and presented).** In addition to GIS workshops listed earlier.

Title	Role	Venue & Location	Date	Estimated attendance
GIS & Remote Sensing Applied to Health	Laboratory Instructor	I GIS Applied to Health Workshop	October, 2013	40
SAS Laboratory: The Generalized Linear Model	Instructor & Facilitator	SAS Workshop. COPH, USF. Tampa, FL	Fall 2014	15
Pulsed Field Gel Electrophoresis	Instructor & Facilitator	I Course on Molecular Epidemiology. Quito, Ecuador	July, 2006	25

### Department/College Seminars organized

Title	Level	College	University	Duration
7 at 5 Lecture Series (COPH Anniversary) – Global Health Diplomacy. Migration & Health.	Graduate	Public Health	USF	February 25, 2020
Global Health Diplomacy – Seminar II	Graduate	Public Health	USF	October 24, 2019
Global Health Diplomacy – Seminar I	Graduate	Public Health	USF	September 19, 2019
Global Health Seminar	Graduate	Public Health	USF	Spring 2016
Global Health Seminar	Graduate	Public Health	USF	Fall & Spring 2017
Global Health Seminar	Graduate	Public Health	USF	Spring 2018

### Academic advising

Academic Year	Role	Master-level Students	Doctoral students
2019/2020*	Advisor	0	2
	Mentor	26	1
2018/2019*	Advisor	0	3
	Mentor	32	1
2017/2018	Advisor	9	4
	Mentor	16	1
2016/2017	Advisor	17	2

\* Changes in the college structure meant that non-faculty advisors were appointed to master-level students. After those changes, faculty are assigned only mentoring roles for master-level students.

### Teaching Assistant positions and other teaching positions (previous to Fall 2015).

2014	Teaching assistant for the course Global Issues in Environmental Health <b>(Graduate level)</b> . Fall 2014. Department of Global Health and Department of Environmental Health, College of Public Health, University of South Florida.
2013	Teaching Assistant for the course GIS Public Health <b>(advanced, graduate level)</b> . Summer, 2013. Department of Global Health. College of Public Health. University of South Florida.
2013	Teaching Assistant (Graduate Assistantship) for the course Infection Control Program Design <b>(Graduate level)</b> . Spring 2013. College of Public Health, University of South Florida.
2012 – 2013	Teaching Assistant (Graduate Assistantship) for the course Public Health Topics in Global Sustainability <b>(Graduate level)</b> . Fall 2012 and Fall 2013 (ad honorem). University of South Florida.
2009 – 2011	Thesis Mentor. <b>Dermatology Postgraduate Residency Program</b> . Universidad Central del Ecuador. Quito, Ecuador.
2009 – 2011	Instructor for the course of Research Methods <b>(Graduate Level)</b> . Dermatology Postgraduate Residency Program. Universidad Central del Ecuador. Quito, Ecuador.
2009 – 2010	Instructor for <b>undergraduate</b> courses (Schools of Medicine, Odontology, Nursing and Physiotherapy). Universidad de las Americas. Quito, Ecuador.
2008	Co-organizer and Lecturer of the Helminthology course <b>(Graduate Level)</b> . Master of Microbiology Program. Pontificia Universidad Catolica del Ecuador. Jan-May, 2008.

### Mentoring

#### ***Awards/Achievements won by my advisees/mentees***

1. Saint-Cyr N. Student Honorary Award for Research and Practice (2022).
2. Saint-Cyr N Received the Best Original Research Presentation Award for the abstract: Reina Ortiz M,+ Gertz A, Saint-Cyr N,\* Vasquez M, Wint K, Francois MJ, Chen H, Martinez Tyson D, Marhefka S, Thirumurthy H. A systematic review of behavioral economic-based interventions to improve HIV prevention, retention in care, and viral suppression for people at risk for or living with HIV/AIDS. 2022 Academic International Medicine Annual Congress and Scientific Forum, American College of Academic International Medicine. Virtually held, Jun 9-12, 2022.
3. Chacreton D. USF Scholarship.
4. Chacreton D. Student Honorary Award for Research and Practice.
5. Redmond B. Champion of the U.S. Department of State GIS Infectious Disease competition in 2018.
6. Saturday T. USF COPH Scholarship.

***Major Professor of Doctoral Level Dissertation/Culminating Projects***

1. Adeba M. Improving access to HIV services among PWID in Addis Abeba, Ethiopia. Fall 2024. Ongoing.
2. Terry K. Addressing Drug Shortages in the USA. Fall 2024. Ongoing.
3. Wongphan T. AI applications in HIV diagnosis and treatment in Thailand. Fall 2024. Ongoing.
4. Chacreton D. Evaluating the impact of social distancing on COVID-19 spread. Graduation: Fall 2022. (I served until Summer 2022).
5. Irue M. Evaluating Barriers and Facilitators for a Diabetes Self-Management Program in a Community in Ghana. DrPH. Expected graduation: Spring 2023. (I served until Summer 2022).
6. Rogers K. Developing a Train-the-Trainer Course for Port Health Service Officers at Points of Entry: Course Curriculum, Training Methodologies and Evaluation. DrPH. Graduation: Fall 2018.

***Committee Member of Doctoral Level Dissertations/Culminating Projects***

1. Raygoza A. Early detection of pancreatic cancer. Committee Member. DrPH Degree. Expected culmination, Fall 2025.
2. Bell J. Relationship between marketing strategies and the Opioid Epidemic in Florida. Committee Member. PhD Degree. Expected culmination, Fall 2021.
3. Kernbach M. Effects of dim light on Avian Host competence to West Nile Virus – immunological and virological profiles. Committee Member. PhD Degree. Graduation: Spring 2021.
4. Roberts S. Barriers to accessing HIV/AIDS Services among individuals Living within Rural Regions of New York. Committee Member. DrPH Degree. Expected culmination, Fall 2021.
5. Mehra S. “Estimating The Impact of a Select Criteria Pollutant (PM2.5) on Childhood Asthma in Florida”. Committee Member. PhD Degree. Graduation: Spring 2017.

***Chair/Major Professor of Master’s Theses***

1. Boykin J. “Validation of Chimeric Viruses in Plaque Reduction Neutralization Tests for Arboviral Disease Diagnostics”. Co-Major Professor. MPH Degree. Fall 2017.

***Chair Honor’s College Thesis (Undergraduate)***

1. Hoang C. “Association between sociodemographic characteristics and COVID-19 testing rates in Florida: an Ecological Study”. Thesis Chair. Summer 2021. Expected Graduation: Spring 2022.

***Committee Member Honor’s College Thesis (Undergraduate)***

1. Skoutelis N. “Global COVID-19 Vaccine Inequality: The challenges in securing equitable vaccine distribution”. Committee Member. Fall 2021. Expected Graduation: Spring 2022.

***Directed Research – Doctoral Level***

1. Namata, I. “Diabetes Self-Management in Accra, Ghana”. Fall 2019 & Spring 2020.
2. Peek, J. “Use of GIS methods to understand geographic determinants of Human Trafficking-related reports”. Fall 2019.
3. Rogers K. “Port of Entry (POE) Public Health Capacity Building in Resource-Limited Countries: Identifying Existing Resources, Gaps, and Solutions to Aid Resource-Limited Countries in Strengthening Public Health at Designated POE”. Spring 2017.

***Director, Global Health Writing Group***

Provide writing mentorship to graduate and professional students from the College of Public Health and the Morsani College of Medicine, University of South Florida. A total of 5 students currently participate or have ever participated of this Writing Group (Bernhard K, Jeegan P, Nicole L, Precious D, Jaladhikumar P, Carlos P, Mhar P).

**Faculty Guest, Eta Sigma Gamma Faculty-Student Luncheon**

*“The Luncheon is a semi-structured networking experience, and its mission is to foster social capital and build stronger relationships.”* March 5, 2019.

**CONTINUING EDUCATION AND TRAININGS****Professional Development (selected out of 30)**

1. AI Fellows. Indiana University Indianapolis. Fall 2025.
2. IU’s Generative AI Tool Pilot. Indiana University Indianapolis. Summer 2025.
3. We Know Boise State is a PWI. Now What? (Virtual). Boise State Uniting for Inclusion and Leadership in Diversity. Boise State University. January 10, 2024.
4. The Impact of AI on Higher Education: A Faculty Panel Brownbag Event. Center for Teaching and Learning. Boise State University. May 3, 2023.
5. “Masked” Review Panel Training. National Science Foundation. Summer 2023.
6. Review Integrity. National Institutes of Health. Center for Scientific Review. Completed on February 16, 2023.
7. Eliminating Bias in Peer Review. National Institutes of Health. Center for Scientific Review. Completed on February 15, 2023.

8. Foundations of Teaching: Universal Design for Learning. Center for Teaching and Learning. Boise State University. January 17, 2023.
9. Facilitating Effective Group Assignments. Center for Teaching and Learning. Boise State University. August 15, 2022.
10. Center for Collaborative Online International Learning (COIL) Foundations Workshop. The State University of New York [online]. July 9 - 29, 2020. As part of the Virtual Global Exchange at USF.

### **Courses and Conferences (selected out of 43)**

1. 73<sup>rd</sup> Annual Meeting of the American Society of Tropical Medicine & Hygiene. New Orleans, LA. November 13 – 27, 2024.
2. 2024 One Health Symposium. GENERA Project: German-Ecuadorian Network for Global Health Research and Innovation. Quito, Ecuador. November 11 – 12, 2024.
3. AIDS 2024, the 25<sup>th</sup> International AIDS Conference. International AIDS Society. Munich, BV, Germany. July 22 – 26, 2024.
4. East Africa Regional Conference: Innovation in Public Health. IMPH (International Master of Public Health) Alumni Conference. Pears Foundation & IMPH, Braun School of Public Health, Hebrew University of Jerusalem. Nairobi, Kenya. May 26 – 29, 2024.
5. 72<sup>nd</sup> Annual Meeting of the American Society of Tropical Medicine & Hygiene. Chicago, IL. October 18 – 22, 2023.
6. 12<sup>th</sup> IAS Conference on HIV Science. Brisbane, QLD, Australia. July 23 – 26, 2023.
7. The Civitas Network for Health 2023 Annual Conference. National Harbor, MD. August 20 – 23, 2023.
8. 71<sup>st</sup> Annual Meeting of the American Society of Tropical Medicine & Hygiene. Seattle, WA. October 30 – November 4, 2022.
9. Fast-Track Cities. Seville, Spain. October 11-13, 2022.
10. 70<sup>th</sup> Annual Meeting of the American Society of Tropical Medicine & Hygiene. [Virtual Meeting due to COVID-19]. November 17 – 21, 2021.

## Advanced Workshops and Trainings

1. Bioinformatics Workshop (microarray data analysis). Centre for Microbial Diseases and Immunity Research, University of British Columbia at Vancouver. Vancouver, Canada. April 2-3, 2008.
2. Microchip array analysis training. Wellcome Trust Sanger Institute, Wellcome Trust Genome Campus, Hinxton. Cambridgeshire, United Kingdom. October 2007 to March 2008.
3. Molecular biological and immunological methods training. Centre of Infectious Diseases, St. George's University of London. London, United Kingdom. October 2007 to March 2008.

## SERVICE

### University Service (selected, only shown since 2020)

2025	Co-Chair. DrPH Program Committee. DrPH in Global Health Leadership program, Department of Community and Global Health. Richard M. Fairbanks School of Public Health, Indiana University, Indianapolis.
2025	Panelist. Hebrew University Digital Open Day [on line]. International MPH Program, Braun School of Public Health and Community Medicine, The Hebrew University of Jerusalem. Feb 9 <sup>th</sup> , 2025.
2024	DrPH Academic Progress Committee, DrPH in Global Health Leadership program, Department of Community and Global Health, Richard M. Fairbanks School of Public Health, Indiana University, Indianapolis.
2024	DrPH Advisory Committee, DrPH in Global Health Leadership program, Department of Community and Global Health, Richard M. Fairbanks School of Public Health, Indiana University, Indianapolis.
2023 – 2024	BSHS (BS in Health Sciences) Program Champions Committee, School of Public and Population Health, Boise State University.
2023 – 2024	SPPH Student Affairs Committee, School of Public and Population Health, Boise State University.
2022 – 2023	Faculty Affairs Committee, School of Public and Population Health, Boise State University.
2022 – 2023	Data Working Group, School of Public and Population Health, Boise State University.
2021	Member of Search Committee for one faculty position within the College of Public Health, University of South Florida.
2021	Reviewer. University of South Florida COPH Scholarships.

2020 I have contributed to the development of a Knowledge, Attitudes, [Behaviors], and Practices survey to evaluate readiness for COVID-19 vaccination among healthcare workers in Tampa General Hospital. COPH & Morsani College of Medicine, USF.

### Professional Service (selected, only shown since 2020)

2023 – present Chair. Global Health Subcommittee. Scientific Program Committee. American Society of Tropical Medicine & Hygiene. Effective at the end of 2023 Annual Meeting.

2023 – present Judge. Young Investigator Award. American Society of Tropical Medicine & Hygiene.

2022 – 2024 Treasurer. (Global) AIF Alumni Association.

2022 Member. City of Tampa Fast-Track Task Force.

2021 – 2022 Member of the Digital Education Committee. American Society of Tropical Medicine & Hygiene.

2021 – 2022 Past President. American Society of Tropical Medicine and Hygiene (ASTMH) Committee on Global Health.

2020 – present Appointed member of the Scientific Program Committee. American Society of Tropical Medicine & Hygiene.

2020 – 2021 Chair. Strategic Planning Activities Sub-Committee. American Society of Tropical Medicine & Hygiene Committee on Global Health (ACGH).

2020 – 2021 President. American Society of Tropical Medicine and Hygiene (ASTMH) Committee on Global Health.

2020 Program Planning Committee – extension (Abstract Reviewer). American Public Health Association. Injury Control and Emergency Health Services & HIV/AIDS programs.

2019 – 2020 Selected. Item Writer. CPH examination. **National Board of Public Health Examiners.**

2019 – 2021 Member. Association of Schools & Programs of Public Health (ASPPH) Global Engagement & Partnerships Advisory Committee.

2018 – 2020 Member. Publications Committee. American College of Academic International Medicine.

2019 – 2020 President-Elect. American Society of Tropical Medicine and Hygiene (ASTMH) Committee on Global Health.

### Journal and other Peer-Review service (selected, only shown since 2020)

2025 – present Scientific Committee, Member, Journal ACI Avances en Ciencias e Ingenierías, Universidad San Francisco de Quito, Quito, Ecuador.

2024 – present Academic Editor, PLOS Global Public Health.

2024 Reviewer. Humanities and Social Sciences Communications.

2023 Reviewer. International Journal for Quality in Health Care.

2022 Reviewer. Frontiers in Public Health.

2021 - 2022 Reviewer. British Medical Journal Open.

2021 Selected for the Early Career Reviewer (ECR) Program. NIH Center for Scientific Review.

2021 Reviewer. USF COPH Internal Research award.

2021 Reviewer. This is Public Health (TIPH) Global Grant Program. Global Network for Academic Public Health. Service provided via the Association of Schools and Programs of Public Health (ASPPH).

2020 Reviewer. The American Journal of Tropical Medicine & Hygiene. American Society of Tropical Medicine & Hygiene.

2020 Reviewer. PLoS ONE.

2019; 2022 Reviewer. *Trichuris trichiura* Fact Sheet. **World Health Organization.**

2019; 2022 Reviewer. USF COPH Internal Research award.

### Conference Reviewer

2021 – present As a member of the Scientific Program Committee of ASTMH, review abstracts and symposia proposals for the 2021 and 2022 Annual Meetings.

2019 – 2021. Scientific Judge. USF Health Research Day. Tampa, FL. February 22<sup>nd</sup>, 2019; February 2020; and February 2021 [2021 meeting is virtual, judging has been replaced for mentorship, to be completed by February 26<sup>th</sup>, 2021].

2018 Discussant for the 7<sup>th</sup> Conference of the American Society of Health Economists. *Economics and Public Health*. Atlanta, GA June 10<sup>th</sup>-13<sup>th</sup>, 2018.

- 2017 Abstract Submission Reviewer for the American Public Health Association Annual Meeting – International Health Section (Community-based & Global HIV/AIDS sub-sections).
- 2012 Research proposal reviewer for the First Encounter of Researchers of Tropical Medicine in Ecuador. February, 2012.

### Community Service

- **Zimbabwe outreach.** Leader of triage unit on a one-week medical mission's outreach serving over 10,000 healthcare service encounters in a population of close to 10,000 people. Gutu, Masvingo, Zimbabwe. October 15-26, 2025.
- **Abrazo a la Distancia:** a task force formed by the Hispanic Outreach Center, Pinellas County Health and Human Services, Juvenile Welfare Board of Pinellas, Moffitt, Estrategia Group and Empath Health. Invited Speaker for the Webinar titled "Conversando con expertos sobre la Vacuna - Covid-19," held on October 14<sup>th</sup>, 2021 at noon. Recording available here: [Webinar recording](#)
- **South Florida Baptist Hospital.** Volunteer for the 2013 Paediatric Health Fair in Plant city.
- **Bridge Clinic USF.** Volunteer interpreter for clinical services on Fall, 2012.
- **OLLY USF.** Volunteer guest lecturer of the world cultures course on Spring, 2012.
- **CHIQUITITOS.** Organizer and Volunteer as a medical doctor in an outreach activity in rural communities of Ecuadorian Coast in 2008.
- **Hospital Voz Andes Oriente.** Volunteer as a medical doctor in a medical campaign in rural communities of Ecuadorian Amazonia in 2004.

### Community Engagement (Educational talks and press articles)

#### Talks

1. **Reina Ortiz M, Sharma V.** HIV/AIDS, why is it everybody's concern? A brief description of HIV/AIDS biology and epidemiology at the global, national (Ecuador) and provincial (Esmeraldas) level. Conference given at the Pontificia Universidad Catolica de Esmeraldas and Universidad Tecnica Luis Vargas Torres. Esmeraldas Nov 24-25, 2013.
2. **Reina Ortiz M, Sharma V.** HIV/AIDS. A brief description of HIV/AIDS biology and epidemiology at the global, national (Ecuador) and provincial (Esmeraldas) level. Conference given at the Colegio Montalvo. Montalvo - Esmeraldas Nov 7, 2013.
3. **Reina Ortiz M.** Ecuador. Osher Lifelong Learning Institute – Exploring World Cultures with USF International Students. February, 2012.

**Media and Press coverage – Earned Media**

1. Telemundo (live tv broadcasted nationwide [coast-to-coast] and streamed live online). Nuevo estudio revela que el café tiene nivel mínimo de contaminantes y toxinas | Noticias Telemundo. Interview: Dr. Miguel Reina Ortiz. August 12, 2025. Available at: [Video recording](#)
2. Telemundo 49. Vacunas disponibles contra la viruela del mono en la bahía de Tampa. Julio 21, 2022. Telemundo 49. Available at: [Video recording](#)
